

1. Top quality copies from originals of any color—ballpoint pens, "spirit" copies, blueprints, even bound books and magazines
2. Completely automatic; merely set dial for number of copies and push a button
3. No chemicals, powders or drums. Copies are dry, ready to use instantly
4. Even faint blue lines come out black and bold, often more legible than the original
5. Sharp, clear copies up to 8½x14" Letter-size copies on bond-weight white paper cost as little as 3½¢ each
6. True table-top size, measures only 31"x31"x13"
